Important Information:

Redemption requests must be received in accordance with the redemption process and timings for each Trust, which are set out in the Information Memorandum ("IM"), although CIML may accept a shorter period at our discretion. Where redeeming from multiple Trusts, please note that individual Trust Redemption cut-offs still apply and that Redemption cut-offs can differ between Trusts. A copy of the IM is available free of charge from jana.com.au/resources/jana-investment-trust-forms.

Redemption requests must be made by lodging this form with CIML by email (clientservices@channelcapital.com.au). Please indicate if you wish to make a full redemption by writing ALL in the relevant No. of Units box(es). Alternatively, please specify the dollar amount OR number of units you wish to redeem if you are making a partial redemption.
