

JANA Core Australian Share Trust

Quarter ending 30 September 2024

About JANA

For over 30 years, the team at JANA has been providing strategic and highly customised consulting services to investors across Australia and New Zealand. Today, we have long-standing relationships with a diverse range of clients, including charities and endowments, long service leave funds, superannuation, life, health and general insurance, universities, financial advisors, and wealth management firms.

Our approach – Depth with Difference – leverages our position as a wholly management-owned, independent asset consultant.

With a diversified client base of over 80 clients and as Australia's largest investment consultant, we rely on our structure, processes, tools, and in-depth experience to deliver the best results for you and your clients.

JANA Investment Trusts

JANA Investment Trusts leverage JANA's scale, expertise, and a blend of leading investment managers to assist us to deliver superior investment solutions.

Each trust is issued by a professional trustee and is appointed with highly experienced fund managers to ensure that the Trust is structured to help meet its investment objectives.

JANA Investment Trust investors include wholesale clients:

- wishing to access funds and instruments, previously only available to institutional investors;
- looking to invest into a long-term diversified portfolio of institutional assets predominantly through mandated strategies;
- wishing to access wholesale fee rates; and
- interested in gaining access to specialist product types and sectors such as Real Estate and Infrastructure.

Investment Objective

The investment performance objective of the JANA Core Australian Share Trust is to generate a return (before fees and expenses) which exceeds the return of the S&P/ASX 300 Total Return Index over a rolling 5-year period.

Investment Strategy

The JANA Core Australian Share Trust is a multi-manager portfolio consisting of complementary Australian share managers who selectively take overweight and underweight positions in stocks relative to the benchmark. The portfolio blends quality managers utilising different investment styles to create a diversified 'core-style' Australian share portfolio with broad market coverage and low to moderate levels of risk relative to the market.
