Investment Objective

The investment performance objective of the JANA High Alpha Global Share Trust is to generate a return (before fees and expenses) which exceeds the return of the MSCI All Country World Index (ex Australia) Net Dividends Reinvested expressed in AUD over a rolling five-year period.

Investment Strategy

The JANA High Alpha Global Share Trust is a multi-manager strategy that currently consists of five concentrated portfolios, each with differing investment styles. The strategy utilises investment managers who build portfolios based on high conviction ideas. As a result, performance can deviate significantly from benchmark at times. Currency exposure is substantially unhedged.
