Investment Objective

The investment performance objective of the JANA Alternatives Trust is to generate a return (after fees and expenses) which exceeds the return of the Bloomberg AusBond Bank Bill Index plus 3% pa over a rolling three-year period.

In addition to the return objective, the Trust will seek to provide low correlation and low to moderate volatility relative to equity markets (referable to the MSCI World Index Hgd AUD).

Investment Strategy

The JANA Alternatives Trust is a multi-manager portfolio designed to incorporate investments that have diversified return drivers to equities and bonds. The Trust holds several underlying investment strategies that generate their returns via access to non-traditional market return drivers and strategies that rely on manager skill.
