Investment Objective

The investment performance objective of the JANA Core Australian Share Trust is to generate a return (before fees and expenses) which exceeds the return of the S&P/ASX 300 Total Return Index over a rolling 5-year period.

Investment Strategy

The JANA Core Australian Share Trust is a multi-manager portfolio consisting of complementary Australian share managers who selectively take overweight and underweight positions in stocks relative to the benchmark. The portfolio blends quality managers utilising different investment styles to create a diversified 'core-style' Australian share portfolio with broad market coverage and low to moderate levels of risk relative to the market.
